A detailed illustration of a large, ornate padlock. The padlock has a shield-like body with a decorative keyhole featuring a central circular opening and symmetrical, stylized flourishes on either side. A curved shackle is attached to the top of the padlock. The entire image is rendered in a high-contrast, black-and-white style with fine horizontal lines for shading.

A large, ornate skeleton key with a circular bow and a notched bit. The key is shown vertically, with the bow at the top and the bit at the bottom. The bow has a circular hole in the center. The bit has a single, large, rectangular notch. The key is made of a dark, textured material, possibly metal, and has a slightly tapered shaft.

A large, ornate padlock with a keyhole and a decorative key resting on it. The padlock has a heavy, textured body and a large, curved shackle. The key is highly decorative, featuring a handle with a palm tree and geometric patterns, and a bow with a similar design. The entire illustration is in a classic, engraved style.

The image displays two identical sets of open padlocks and keys. Each set consists of a dark, rectangular padlock with a U-shaped shackle that is bent upwards. A key with a heart-shaped head and a notched blade is inserted into the bottom of each padlock. The entire scene is set against a plain white background.
